Construction Trades: This course simulates a real-world construction site. The program is housed in a state-of-the-art facility and provides students with all the tools and machinery needed to build a complex structure. This course combines hands-on activities with classroom instruction and students work from design to completion on a variety of different projects. Pathway: Engineering, Manufacturing, and Industrial Technology

CTE Academic Alignment:
Without a Personal Curriculum:
- 4th Math
- 3rd Science
- 2nd World Language
- Online Learning
- Visual Performing and Applied Arts

With a Personal Curriculum:
- 3rd Social Studies
- Physical Education
- Visual Performing and Applied Arts
- High School Technical Math

Potential Careers:
- Contractor
- Carpentry
- Remodeling Specialist
- Dry Waller
- Electrician
- Finish Carpentry
- Roofing

Course Considerations:
- Basic Math
- Basic Writing
- Interpersonal Communication
- Physically able
- Enjoy hands on work
- Enjoy physical activity
